

Allan DUFAS

Customer Success Operations Manager

B2B SaaS

+33 6 68 31 55 16
allandufas@gmail.com

Paris, France | Open to International Mobility

Customer Success Operations Manager with 5+ years in B2B SaaS, specialized in turning manual CS workflows into automated, measurable systems. Built and shipped onboarding, health-scoring and automation pipelines across 350+ client portfolios (-10% churn, +181% upsell). Technical edge in SQL, automation and AI tooling, allowing me to independently build internal systems and operational workflows.

LANGUAGES

English : Professional working proficiency
French: Native
